1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting a high standard for the attendance and punctuality of all pupils, providing a school culture which is calm, safe and supportive; a place where pupils want to be
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- To monitor rigorously to identify patterns of absence, providing early intervention to support
- Build and maintain strong relationships with families, to remove barriers and provide support so that pupils can attend school
- To provide a calm, safe and supportive environment where pupils enjoy learning
- To formalise support where absence persists and where voluntary support is not working
- To enforce statutory intervention when all other avenues of support have been exhausted

We will also promote and support punctuality in attending lessons.

2. Legislation and Guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 3 of the [Education Act 2002](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013 and the 2024 amendment](#)

3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office between 9.30 – 9.40am for morning register and by 1.15pm for afternoon register.

3.6 School Administration Staff

School administration staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Family Engagement Team in order to provide them with more detailed support on attendance. The school expects the parent to call school every day that their child is absent, giving a daily update.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9.30 am on the day of the absence and each subsequent day of absence and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Seek support, where necessary, for maintaining good attendance, by contacting **The Family Engagement Team** who can be contacted via telephone on **01422 884170**

➤ 8 Pupils

Pupils are expected to:

- Attend school every day, on time when they are well enough to do so.

4. Recording Attendance

4.1 Attendance Register

We will keep an electronic attendance register and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 9am and ends at 3.30pm

Pupils must arrive in school (from school transport) from 9am on each school day.

The register for the first session will be taken by 9.30am and will be kept open until 9.40am The register for the second session will be taken at 1pm and will be kept open until 1.15pm

4.2 Unplanned Absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9.30am or as soon as practically possible, by calling the **School Administration Staff**, who can be contacted via telephone **on 01422 884170**

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents need to contact the school administration team in advance of medical appointment to provide the dates. School contact is to be made via the Administration Team on **01422 884170**

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and Punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Where any pupil is persistently arriving late the Family Engagement Team will:

- Contact the family if pupil's regularly fail to arrive on school transport
- Work with families to support them if they consistently arrive late to school in their own transport

4.5 Following Up Unexplained Absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school will continue to follow the next steps set out in Calderdale's First Day calling procedure

- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals

- Where support is not appropriate, not successful, or not engaged with the school will contact their designated Welfare Officer (see potential sanctions set out in section 5.2 below)

4.6 Reporting to Parents

The school will regularly inform parents about their child's attendance and absence levels via. EHC meetings, End of Year Reports and through Parent Consultations.

5. Authorised and Unauthorised Absence

5.1 Approval for Term-Time Absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as:

- Close family bereavement
- Extended periods in hospital
- Unforeseen change to family circumstance due to an emergency
- Religious celebrations that may fall outside of the term time period
- School closure due to unavoidable cause or circumstance
- Transport provided by the Local Authority is not available and the pupil's home is not in walking distance
- Extreme weather conditions make it unsafe for children to get into school

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least **four weeks** before the absence. The form can be requested from the school office and must be sent directly to the headteacher **Jenna Port** via email on: head@woodbank.calderdale.sch.uk. The Headteacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is

known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The Headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for Promoting Attendance

- Promote pupils' learning and achievements
- Promote a positive attitude to attendance and punctuality
- Reward good attendance and improved attendance
- In the case of a long term absence, due to accident or illness, to provide an appropriate educational programme that may be delivered in the home setting

7. Supporting Pupils Who are Absent or Returning to School

7.1 Pupils absent due to complex barriers to attendance

In consultation with Family Engage Lead, the Class teacher and the Senior Leadership Team, the pupil's persistence absence would be reviewed and a decision made as to whether this was an explicable absence. If not, the following stages would be followed:

1. A letter would be sent to parents, informing them of the school's obligation and notifying them that their child's attendance was being monitored for improvement.
2. Failure to improve would oblige the school to offer a face to face meeting, with a reiteration of the parents duty to their child and to offer school support in meeting this.
3. After a persistent lack of improvement, the Designated School Lead would contact the Education Welfare Service to report the parent.

7.2 Pupils absent due to mental or physical ill health or SEND

Pupil's that have complex health

- Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.
- The school may provide an Educational Programme that the pupil can follow whilst at home
- The school may liaise with Calderdale Local Authority to implement a temporary part time timetable to support the family

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Pupils coming back to school following a lengthy and unavoidable absence will be supported in the following ways:

The Class Teacher to liaise with the family before the pupil's return to provide consistency due to any potential changes

- The pupil will be supported by familiar staff that know them well
- The pupil will be supported in small class groups
- The pupils will receive one to one support where needed
- Skilled staff will support the pupil around any pastoral, physical or medical need

8. Attendance Monitoring

The school monitors attendance and absence data (including punctuality) and systematically and regularly analyses it under the following procedure:

- Daily attendance recorded using school systems
- Calderdale's First Day Calling Procedure used for any pupil absences
- Home visits undertaken if school is unable to make contact with families following several attempts via text/telephone
- Weekly meetings to discuss attendance with Designated School Lead

8.1 Monitoring Attendance

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

The termly monitoring process is as follows:

- Update whole school attendance summary graph using data from SIMS
- Update analysis of absence types graph using data from SIMS
- Update the attendance figures for each pupils using data from SIMS
- Identify those pupils whose absence falls below 90%
- Designated school lead to review each identified pupil with the Family Engage lead to determine the most appropriate course of action
- All identified actions to be undertaken by the Family Engagement Lead and reviews half termly with SLT

Specific pupil information will be shared with the DfE on request.

The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data against local, regional, and national levels to identify areas of focus for improvement and share this with the governing board.

8.2 Analysing Attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using Data to Improve Attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to the governing board and school leaders (including the designated safeguarding lead and pupil premium lead)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing Persistent and Severe Absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available

- Explain the potential consequences of, and sanctions for, persistent and severe absence
- Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)
- Termly meeting with the Local Authority Education Welfare Officer

9. Monitoring Arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum **bi-annually** by **Jenna Port (The Headteacher.)** At every review, the policy will be approved by the full governing board.

10. Links with Other Policies

This policy links to the following policies:

- Child protection and safeguarding policy
- Positive Behaviour policy
